SITUATION SUMMARY

Cal OES Activation Status

State Operations Center	Inland Region EOC	Coastal Region EOC	Southern Region EOC
Normal Operations	Normal Operations	Normal Operations	Normal Operations

Potential Public Safety Power Shutoff (PSPS), SCE PSPS Event 07-22-19, Kern County

On 07/22/19 at 1651 hours, the California State Warning Center (CSWC) received a report from Southern California Edison (SCE) stating their Operations Emergency Center (OEC) has been activated due to a potential PSPS event.

[As of 1700 hours on 07/25/2019:](#)

- SCE is at PSPS stage “Activating PSPS Protocols / Potential to De-energize”.
- 3,080 total customers potentially impacted.
- 120 medical baseline customers have been identified.
- 38 critical care customers have been identified.
- Potential de-energization times:
 - [1500 hours on 07/27/19 to 1800 hours on 07/29/19](#) for Kern County.
- All notifications have been made per CSWC SOP.

2019 July 4th / 5th Earthquakes, Kern and San Bernardino Counties

On 07/05/19 at 2019 hours, a M7.1 earthquake occurred approximately 11 miles north-northeast of Ridgecrest on the China Lake Naval Weapons Station in Kern, San Bernardino and Inyo Counties.

Activations

- Kern County Emergency Operations Center (EOC) is activated at Level 1 (lowest). Operational Period: A Shift: 0800-1700 hours.
- San Bernardino County EOC is activated at Level 3 (lowest level). Operational Period:
 - A Shift: 0700-1800 hours.
- City of Ridgecrest EOC is activated at Level 1 (lowest). Operational Period: A Shift: 0700-2200 hours.

SITUATION SUMMARY (Continued)

2019 July 4th / 5th Earthquakes, Kern and San Bernardino Counties (Continued)

Recovery

San Bernardino County:

- Residents and business owners should continue to contact the San Bernardino County EOC Call Center at 909-356-3998 from 1000-1700 hours, Monday through Friday, to report damage and specific needs.
- Transitional Assistance Department-County Services Hotline, 877-410-8829, will remain open to receive calls from the community of Trona related to county services, reports of damage and to answer general questions.
 - Hours of operation: 0800-1700 hours.
- Medical Services Needs Unit (MSNU) staffed by Arrowhead Regional Medical Center (ARMC) staff.
 - Hours of operation: 1000-1700 hours.
- Department of Behavioral Health (DBH) continue to provide door-to-door shuttle service.
 - Hours of operation: 1000-1700 hours, Monday through Sunday.
- A Recovery Center has opened in Trona at 13207 Jones Street and is expected to remain open until 07/26/19.
 - Hours of operation: 1000-1700 hours, Monday through Saturday.

FIRE ACTIVITY

Cal OES Fire Preparedness Levels

National	Northern California	Southern California
Preparedness Level 2	Preparedness Level 2	Preparedness Level 2
	Multi-Agency Coordination System MACS Mode: 2	Multi-Agency Coordination System MACS Mode: 2

Please note: The National and Regional Preparedness Levels are maintained by the National Multi-Agency Coordination (MAC) Group and are separate from Cal OES activation levels.

Cal OES Fire Missions

- **2019-FIRE-402:** Incident Number: CA-CDF-000127. Request for five 20-person Hand Crews each and all necessary personnel, support, transportation and materials. 65 additional soldiers to be trained and ready to backfill. Assigned to fuel reduction efforts in SHU, NEU, BEU, and FKU (1 Crew in each unit with the exception of 2 crews in FKU).

Cymric Oilfield Incident (Kern County)

- Incident occurred at a Chevron site in Taft.
- 2 Assistant Chiefs are assigned to the incident.
- Repair efforts to seal off a damaged and abandoned well resulted in a surface expression (seep) of a liquid material. State, federal, and private officials are devising a plan to mitigate the incident.

WEATHER KEY POINTS

07/26/19 - 08/01/19

Friday-Sunday

- Hot, breezy, and dry conditions will continue to produce elevated fire weather concerns for portions of the inland areas through early next week
- Isolated showers and thunderstorms possible over the Sierras and portions of the Southern Region on Friday
- Low risk of flash flooding, mainly over the Sierras
- Hot weather will continue across the state
- Moderate to high heat risk impacts are likely, especially across portions of Inland Region and the Southern Region desert areas on Saturday and Sunday
- Much drier weather Saturday and Sunday will eliminate the threat of showers and thunderstorms across the state

Monday-Tuesday

- Hot, breezy, and dry conditions will continue to produce elevated fire weather concerns for portions of the inland areas early next week
- A cooling trend will start to significantly reduce heat impacts across the state
- Monsoon moisture will begin to return on Tuesday with a slight chance of showers and thunderstorms over portions of the Southern Region

Wednesday-Thursday

- Cooler weather will continue with little heat impacts expected across most of the state, with moderate heat risk impact over the desert portions of the Southern Region
- The threat of showers and thunderstorms continuing over portions of the Southern Region

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

2019-LAW-4091, 07/25/19, 1215 hours: IERCC advised that a third party with an In-Reach device had located a hiker (17 year old male) with a food allergy who had eaten a power bar with nuts in it. The R/O of device was reporting that the subject was going into shock and needed medical treatment. The coordinates of the injured party is 34.812391 by -119.154389 which plots to the Mount Pinos Area in Ventura County. Ventura County Sheriff's Department (VCSD) notified and is responding. **Update, 07/25/19, 1430 hours:** VCSD advised that Air Support located the subject and transported him to Henry Mayo Emergency Room at 1350 hrs. **MISSION CLOSED**

2019-LAW-4087, 07/25/19, 1045 hours: IERCC advised of a SPOT device activation in San Bernardino County. The exact coordinates are 34.218460 by -116.966350 which plots to an area in San Bernardino County called Bluff Lake Reserve. San Bernardino County Sheriff's Department (SBSD) notified. **Update, 07/25/19, 1150 hours:** R/O of device cancelled the request stating San Bernardino Fire was at scene and treated and released hikers. **MISSION CLOSED**

2019-LAW-4041, 07/24/19: Cal OES Law Branch is assisting Pelican Bay State Prison with a suspicious mail incident that occurred on Tuesday, 7/23/19. The 95th CST has been tasked with consultation with Prison and Regional Hazmat personnel. **MISSION ONGOING**

2019-LAW-3782 (*Reopened*) 07/18/19, 1545 hours: Stanislaus County Sheriff's Office, on behalf of Modesto PD/Modesto Fire, requested two HRD canine teams to search for human remains at the scene of a structure fire that occurred on 7/7/19. The scene was deemed "cold" on 7/11/19. The Cal OES Law Enforcement Branch is coordinating the requested resources for a search on 7/22. **Update, 07/19/19, 1927 hours:** Modesto Fire cancelled the resources due to safety concerns. Local authorities will confer and advise of any further requests. Mission Closed. **Update, 07/22/19, 1623 hours:** Modesto Fire, in consultation with the San Joaquin County SO, have requested to reopen the mission to conduct another search on Thursday, 7/24. They are requesting two K9 teams at 0700, at Modesto Fire. **Update, 07/22/19, 2120 hours:** Dr. Ho confirmed 2 teams were secured for Thursday, as requested. Modesto Fire, San Joaquin SO and A/C Broughton advised. **MISSION ONGOING**

Cal OES MISSION TASKING

Cal OES Missions
